Returns

Parts may be returned in new and unused condition within 90 days for no penalty. Between 90 days and 1 year, a 10% restocking fee will be assessed. Between 1 and 2 years, a 20% stocking fee will be assessed. We do not allow returns after 2 years from date of purchase, regardless of first date of use. Monogrammed, customized, or made-to-order products cannot be modified, returned, or exchanged after the order has been placed, unless damaged or defective. Atech Motorsports cannot accept returns of custom-ordered parts. Videos, software, and copyrighted materials cannot be returned for refund once they have been opened.

All returns are subject to inspection. Any part that, in our opinion, shows evidence of being used or installed contrary to manufacturer's instructions and/or subjected to improper handling, packaging, or shipping by the customer will not be eligible for exchange, refund, or warranty consideration. We reserve the right to charge a restocking fee or refuse any return.
