

Limited Warranty Information

Dynatek warrants to the original purchaser that the Dyna Ignition shall be free from defects in parts and workmanship under normal use for one (1) year from date of purchase.

Dynatek's obligation under this warranty is limited to repair or replacement of any part found to be defective when returned postage paid to the factory. The unit must be returned with evidence of date of purchase and place of purchase, and with a detailed description of the problem.

The warranty will not apply if the product has been installed incorrectly, repaired or damaged by modification, misuse or accident.

Original Warranty Procedures

- All warranty claims must be sent directly to Dynatek by the original purchaser for test and evaluation. Call 1-702-673-4069 prior to shipping the unit for an R.M.A. # (Return Merchandise Authorization Number).
- Enclose with product a detailed summary of why you feel the ignition product is faulty. Owner will pay shipping and Dynatek will pay for the return shipping cost via UPS Ground.
- Allow five (5) working days from our receipt of product for testing, evaluation and return or a follow-up phone call.

Please send all Warranty issues to:
