

### **3-Year Windshield Limited Warranty Terms and Conditions:**

*National Cycle hereby warrants to the original registered owner of a National Cycle polycarbonate windshield for a period of three years from the date of purchase against breakage. This limited warranty is expressly limited to the replacement of the polycarbonate windscreen of the Heavy Duty™, SwitchBlade®, Wave® and VStream® National Cycle product lines. This limited warranty does not include replacement of hardware, or any consequential damages or expenses including labor cost of installation, inconvenience, inbound freight expenses or damage to any other component of the motorcycle or any other accessories. Certain chemicals, such as petroleum-based and alcohol-based products, are known to cause windshield damage and will not be covered under this limited warranty. Cracks, scratches, and crazing, including those inflicted by windshield alterations, will not be covered under this limited warranty. Please refer to the cleaning instructions supplied with all National Cycle windshields.*

*In the unlikely event that you need to file a claim under this warranty, you will be asked to supply a receipt or proof of purchase, a clear photograph of the affected area of the windshield, along with an explanation of how the damage occurred. Send these items to National Cycle by e-mail or to National Cycle Customer Service by Postal Service. National Cycle will examine your photo and warranty claim, and may request that your windshield be sent to us for inspection. National Cycle reserves the right at its sole discretion to refuse any claim that it determines is illegitimate or due to willful abuse or alteration of the windshield. Other than the warranty described above, National Cycle makes no warranties, express or implied, including warranties of merchantability or fitness for a particular purpose.*

*If the warranty claim is deemed valid by National Cycle, a replacement will be promptly shipped to the registered owner. National Cycle will pay for the cost to ship the replacement windshield within the United States. Postage charges may apply elsewhere.*
