

With the Progressive Suspension Product Service and Warranty Program, we'll have your claim repaired or replaced and on its way back to you within a few days in most cases, so we can get you back on the road or in the dirt before you start to show withdrawal symptoms. Give our techs a call and get a RETURN MERCHANDISE AUTHORIZATION number BEFORE you send it back! [Click here for the details!](#)

\*All products are covered by a 1 year limited warranty (including tools, 12, 13, 14 series dampers, 412, 512, 413, 416, 716, 422, 425, 429, 465) (except those listed below) All springs, including spring only kits and springs installed in or on other products, are covered by a Lifetime Limited Warranty. All Monotube Kits, 430, 435, 444, 944, 970, 490, 990 series products are covered by a Lifetime limited warranty. 428 Series shocks are covered by a 2 year limited warranty.
